

# The Other Guys

1. Order placed

2. Trucked to distribution center

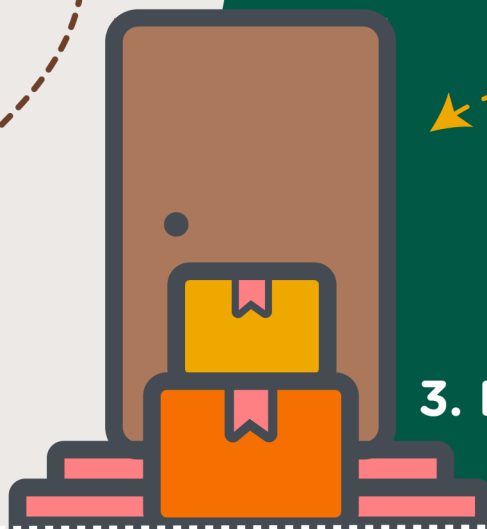

3. Flown to regional hub

4. Trucked to distribution center

5. Trucked to your front door.

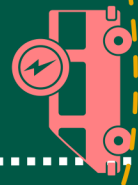

1. Order placed

2. Brought to our depot by electric car.

3. Delivered to your front door by electric car.

(we won't actually do loops, but our model is so much simpler than theirs, we had to fill the space)
